Oops – thanks so much for finding this. I accidentally deleted the number 120 (though not the question or response) when formatting. I have added the number back in. Please use this version for commenting. Many apologies!

Hi David,

I'll take whatever you want to give me. If you provide an attachment with track changes, it probably would be helpful to provide a bit of an explanation or context in the accompanying email for those who may only have access to the iphone (track changes and colors don't seem to appear in attachments on iphones).

Thanks for your efforts on this.

Liz,

How would you like to receive suggested edits? Redline directly in the document or some other way?

Jennifer, Chris, David, and Bruce,

Sorry to be a bit tardy – I was trying to make sure the related questions all had similar responses.

Please see the attached.

# Deliberative Process / Ex. 5

Please let me know what modifications you would like. It would be good to finalize our responses, if possible, by the end of today so that we can provide to OCIR by tomorrow at 10.

Thank you.
